WHAT WORK WILL BE DONE?

Work scheduled on this project includes the milling of streets in preparation for resurfacing by the Roadway Repair & Maintenance (RRM) division. Resurfacing will follow within two (2) weeks (weather permitting).

WHAT ARE THE COMMUNITY IMPACTS?

The DDC is committed to maintaining a work site that is safe and clean. However, dust, noise and heavy equipment are common elements of construction and we ask for your patience during the project. There may be limited street access on certain blocks. However, deliveries to residential properties and emergency vehicle access will be allowed.

Pedestrian / Traffic

- ❖ Pedestrian access to buildings will be maintained at all times.
- ❖ Street closures may be required; warning signs will be posted in advance.
- ❖ Driveway access may be temporarily interrupted in order to complete construction.

Public Transportation

- ❖ If/when necessary, bus stops and/or bus routes may be relocated/detoured during the course of this construction. Signs and directions will be posted noting the changes.

No Parking Notification

- ❖ Designated “No Parking” signs will be posted in all affected areas for the specific day/days for this work operation.
- ❖ Vehicles, if parked on the street, will be towed to other available parking spots in the vicinity.

WHAT ARE THE HOURS OF WORK?

Typical work hours will be Monday-Friday from 6:00pm to 6:00am.
