Living with Vision Challenges as We Age... during COVID-19

When: Thursday, January 21, 2021 • 3 – 4 pm

Where: The Abyssinian Baptist Church

Zoom Webinar ID: **854 516 29216**

Zoom Dial-in Option: **253-215-8782**

During the COVID-19 crisis, Lighthouse Guild accelerated our work: from expanding our services through telehealth to introducing new technologies to improve the quality of life for people with vision impairment. Join our forum as we discuss the many ways Lighthouse Guild helps people live better with vision challenges. You will have an opportunity to ask questions!

Hear from Lighthouse Guild Experts:

Lighthouse Guild: What We Do

Calvin W. Roberts, MD, President & CEO

Aging and Vision: Living Better with Vision Challenges

Janet Weinstein, Director of Outreach

Volunteers: Make a Difference

Cheryl Pemberton-Graves, Chief Volunteer Officer

Technology in Action (includes a demonstration)

Angel Pacheco, Program Administrator, Vision Rehabilitation Services
