Join our meetings from the comfort and convenience of your home by phone or online. An experienced professional will facilitate the discussions to:

- Provide an opportunity for connecting with others who utilize large print and audio books, while maintaining physical distance during COVID-19
- Offer support to those transitioning from standard print to alternative formats
- Help you find additional information and resources to manage life with vision loss
- Enhance your reading experience through stimulating conversations about the characters and events in each book.

Membership in our virtual book club includes a complimentary one-year subscription to Reader's Digest "Select Editions" large-type books. Members will receive 5 volumes, each of which contains two abridged best-selling books.

The books may be available in other formats that you have already been using.
